

## PRIVACY PLEDGE

The personal data that you provide us is yours. The Privacy Pledge below covers the personal data that Mambo collects, how we collect it, what we do with it, and how we protect it. Protecting your data is our top priority.

- We are fully committed to a transparent platform and promise to use technology responsibly, no matter what changes occur in our business;
- As we strive to improve our platform and provide you with the best service possible, we hold ourselves to the highest industry standards. It is Mambo's guarantee that we will adhere to the strictest privacy practices so that your trust is well-deserved. We promise not to sell or use any of your personally identifiable data to anyone, ever; and,
- Because your peace of mind is important to us, we protect personal data in accordance with the highest industry standards. It is our promise that we will only use your data in a manner that is not only consistent with this Privacy Pledge, but moral, ethical, and legal.
